

Adult Probation, Deputy Director, Karma Chambless announced the following on April 2, 2020 at 6:30 PM

Good Afternoon,

The Adult Probation Staff is working remotely from home but will still be available for our responsibilities to the courts and essential duties. We will be coming in as needed for those essential duties and will continue to serve our clients via email, mail, phone, and web reporting. Our main line has been rolled over to an automated system that when the extensions are entered rings directly to the officer's cell phones. If you need anything or I can be of any help, you can reach me directly at 979-241-2957.

Thanks,

Karma
