

**ARCHITECTURAL/ ENGINEERING SERVICES – JP #2BUILDING/SARGENT  
COMMUNITY CENTER/ALTERNATE/EOC**

**REQUEST FOR QUALIFICATIONS**

**QUESTIONS ASKED & ANSWERS**

1. Is this for a design build project where we provide pricing for the design and construction or are you just taking pricing for the design only??

**ANSWER:** We issued a Request for Qualifications (RFQ) bid packet, this is simply requesting that firms provide details about their experience and background in order to be pre-qualified for either the JP#2 Building and/or Sargent Community Center project. No pricing is requested at the time, only qualifications.
